KEYNOTES

EARLY WARNING SIGNS

Make the best decisions in today's complex world.

This speech is for leaders who want to make the best decisions possible for themselves, their companies, their clients/customers and their team. Making decisions in a constantly changing landscape is both an art and a science. It includes anticipating unforeseen side effects and complications. For leaders, the consequences are weighty.

ATTENDEES WILL DISCOVER:

- How to mitigate the three major factors that create chaos.
- Why trying to make the 'right' decision is wrong!
- Three assumptions guaranteed to create problems.
- Two decision-making mistakes that cost time, energy, money and sometimes reputation.
- Hidden factors that hinder good decision-making.
- Solid strategies to make decisions that boost the bottom line, improve employee morale and keep consumers happy.

A CONTAGIOUS CULTURE

Create and maintain an unstoppable organizational culture.

This speech is for leaders committed to ensuring that the culture in their organization is constructive and beneficially contagious rather than toxic and destructive.

ATTENDEES WILL DISCOVER:

- What makes a contagious organizational culture
- Powerful indicators of a healthy culture
- The hidden root source of a toxic culture
- How to turn your organization from toxic to healthy

THE LEADERSHIP CHALLENGE

Our World in Crisis - Are you ready?

True leadership is all encompassing and never more so than in a crisis. With our world in crisis your skills are needed more than ever. Leaders have to step up to the challenge. Are you ready?

ATTENDEES WILL DISCOVER:

- The biggest challenges to leadership in a crisis
- Three principles of authentic and effective leadership
- How to challenge yourself to up your leadership game every day
- Solid strategies for leading "from the front" no matter what.

BIO

Gregg is a sought after keynote speaker well known for his focus on Leadership excellence. His powerful keynotes are thought-provoking and insightful as he provides both information and inspiration. Gregg also runs leading-edge seminars and works with select clients.

As a retired senior Naval Officer, Gregg brings his rich and diverse experience in Command, operational, and staff appointments afloat and ashore, nationally and internationally to bear on the topic of Leadership in today's world.

Gregg is a great leader, coach and teacher. His expertise can help you make the breakthrough to take your life, whether business or personal, to the next level.

John Wilson,
King Bird Group International

TESTIMONIALS

Gregg's professional experience positions him to be able to transform your team or take your personal set of skills to the next level. I was part of his Communication Excellence Seminar which created a solid change in how I approach my prospects and negotiate with my clients.

Zed Dean,
WSI Professional Solutions

”

I saw Gregg's abilities first hand on two occasions. I found the information and insights he provided for my business invaluable and "actionable". His thoughts on the psychology of my clients felt dead on. I was thoroughly impressed.

Steve Dweck,
TD Wealth

”

Gregg, THANK YOU for your valued time .Your learning strategies and delivery are so very powerful. My meeting with my client was successful. They have given me an opportunity to put together a large program for their group.

Karen Fiorini,
Global Planning Sources Inc
